

BITV PRODUCTION SERVICES AND RATES

The BITV staff will work with you to develop your program ideas, outline a production scope with costs, and manage your production from start to finish. We can provide personnel and equipment for quick, efficient, professional productions in our studio or on location. The rate card below provides general cost guidelines. Call us to discuss your specific project.

* A credit card is required to reserve the studio. Fees are collected the day of rental.

* Member rates apply if program and policy requirements are met.

To reserve and use discounted equipment members must be certified on that equipment. Non-members require proof of insurance and credit card deposit. Payment required prior to use. BITV policies apply to all equipment rentals.

Please refer to the BITV Rules and Procedures Manual for additional information.

* There is a one hour minimum fee for all a la carte services. Location fees include travel time from BITV and return to BITV.

* A 15% administration charge will be applied to a full service production, but not facility or equipment rental.

* Fees subject to change. Please call for latest rates.
